Education

2025-2027
Currently in the first year of a Master's degree in graphic design creative strategies and media at École Estienne art school (Paris).

2022-2025
Bachelor's degree in graphic design in communication at Auguste Renoir art school (Paris).

2019-2022
High school diploma (sciences and tcehnologies of design and applied arts) with honors at Rive Gauche school (Toulouse).

Hobbies

Art

My practice of photography, painting, sewing, and drawing enriches and broadens my graphic design inspirations.

Sport

The various team sports I practice (especially basket-ball) allow me to develop team spirit and determination in my projects. Running imposes discipline and organization in my daily life.

Experience

Graphic design

Happy Culture
Every year since 2022 I've been asked by Happy Culture association to create their event communications "D'art D'art ".

Funny Bones Studio
A three-month internship with editorial work especially on Regain magazine.

Ping Pong Studio
A one-week internship creating mood boards for museum signage.

Syndicat Editions
General Design
Public magazine
 A few days internship

Nord Est/ Sud Ouest (product design)
A one-week internship

Summer jobs

2023: Temp work at Syngenta.

2023-2022: Waitress every weekend in a restaurant.

2022-2021: Farm work (harvesting and packing melons, and various other tasks).

Volunteering

Aden's

Association dedicated to helping young people, in 2022, I helped organize, run and report on a solidarity and intercultural trip to Morocco with Erasmus+.

Garorock

I worked for a few days on the organizing team for the Garorock music festival.

Sports

Been part of basketball club during ten years and i was actively involved in the club life.
I was a volunteer in middle school and high school sport asssociations.
